Email: procurement@unistarchemicals.com | Web: www.unistarchemicals.com

OFFICIAL B2B INDUSTRIAL PRODUCT CATALOGUE

Unistar Chemicals is a premium manufacturer and trusted distributor of high-purity industrial chemicals, acids, alkalis, solvents, and water treatment solutions.

COMPANY INTRO, VISION, MISSION & CORE VALUES

Established in 2018, Unistar Chemicals is dedicated to powering India's manufacturing sector with absolute transparency, ISO-compliant quality standards, and swift logistics.

Vision: To lead the industrial chemical distribution network across India via durable trust.

Mission: To deliver premium, verified compounds with streamlined on-time logistical dispatches.

Core Values: Absolute Quality, Ethical Sourcing, Uncompromising Safety, Integrity.

VERIFIED CHEMICAL FORMULATIONS & CATEGORIES

We offer bulk chemical sourcing across major industrial categories:

1. Acids & Alkalis: Hydrochloric Acid (30-35%), Sulfuric Acid (98%), Nitric Acid (68%), Phosphoric Acid (85%), Caustic Soda Lye & Flakes (NaOH).
2. Solvents & Minerals: Isopropyl Alcohol (IPA 99.8%), Toluene (99%), Acetone (99.5%), Potassium Chloride (KCl), Calcium Carbonate (CaCO₃).
3. Water Treatment Solutions: Polyaluminium Chloride (PAC 30%), Alum (Aluminium Sulfate), Sodium Hypochlorite (10-12%), Bleaching Powder, Hydrated Lime (Ca(OH)₂).

PACKAGING, QUALITY ASSURANCE & LOGISTICS

Packaging Options: Standard 50kg Carboys, 250kg HDPE Drums, 1000kg IBC Tanks, and Road Tankers.

Quality Assurance: Every batch is certified with an official Certificate of Analysis (COA) and MSDS documentation under ISO 9001:2015 strict manufacturing guidelines.

Logistics Desk: Standard 24-48 hour delivery within West Bengal and neighboring states supported by authorized GPS-tracked hazardous materials logistics operators.
